If the component can NOT be repaired on site a free estimate will be provided for expected repairs.	\$ 75.00
Device Repair	Entertainment Components: Portable	CD only or CD-radio Discman	Your Device will be evaluated and the component, black box or card will be replaced, returning your equipment to manufacture specifications. Your equipment will be returned to as found configuration.	\$ 65.00
Device Repair	Entertainment Components: Portable	CD/DVD/BR Recorder	Your Device will be evaluated and the component, black box or card will be replaced, returning your equipment to manufacture specifications. Your equipment will be returned to as found configuration.	\$ 125.00
Device Repair	Entertainment Components: Portable	DAT Recorders, Repair	Your Device will be evaluated and the component, black box or card will be replaced, returning your equipment to manufacture specifications. Your equipment will be returned to as found configuration.	\$ 149.00
Device Repair	Entertainment Components: Portable	DVD/BR Player	Your Device will be evaluated and the component, black box or card will be replaced, returning your equipment to manufacture specifications. Your equipment will be returned to as found configuration.	\$ 95.00
Device Repair	Entertainment Components: Portable	Mini TVs, B&W TV and/or radio/tape combination	Your Device will be evaluated and the component, black box or card will be replaced, returning your equipment to manufacture specifications. Your equipment will be returned to as found configuration.	\$ 75.00
Device Repair	Entertainment Components: Portable	Mini TVs, Video Walkman	Your Device will be evaluated and the component, black box or card will be replaced, returning your equipment to manufacture specifications. Your equipment will be returned to as found configuration.	\$ 125.00
Device Repair	Entertainment Components: Portable	Mini TVs. Color TV and/or radio/tape combination	Your Device will be evaluated and the component, black box or card will be replaced, returning your equipment to manufacture specifications. Your equipment will be returned to as found configuration.	\$ 79.00
Device Repair	Entertainment Components: Portable	Minidisc player/recorder	Your Device will be evaluated and the component, black box or card will be replaced, returning your equipment to manufacture specifications. Your equipment will be returned to as found configuration.	\$ 75.00
Device Repair	Entertainment Components: Portable	Radio	Your Device will be evaluated and the component, black box or card will be replaced, returning your equipment to manufacture specifications. Your equipment will be returned to as found configuration.	\$ 69.00
Device Repair	Entertainment Components: Portable	Radio - Clock radio/table radio	Your Device will be evaluated and the component, black box or card will be replaced, returning your equipment to manufacture specifications. Your equipment will be returned to as found configuration.	\$ 59.00
Device Repair	Entertainment Components: Portable	Radio-cassette w/ or w/o CD player	Your Device will be evaluated and the component, black box or card will be replaced, returning your equipment to manufacture specifications. Your equipment will be returned to as found configuration.	\$ 79.00
Device Repair	Entertainment Components: Portable	Tape Recorders, Cassette only, stereo	Your Device will be evaluated and the component, black box or card will be replaced, returning your equipment to manufacture specifications. Your equipment will be returned to as found configuration.	\$ 59.00
Device Repair	Entertainment Components: Portable	Tape Recorders, Cassette/micro cassette, mono.	Your Device will be evaluated and the component, black box or card will be replaced, returning your equipment to manufacture specifications. Your equipment will be returned to as found configuration.	\$ 59.00
Device Repair	Entertainment Components: Sound System	Accessories, Headphones	Your Headphones will be evaluated and the component will be repaired or replaced, returning your equipment to manufacture specifications. Your equipment will be returned to as found configuration.	\$ 39.00
Device Repair	Entertainment Components: Sound System	Accessories, Remote control	Your Device will be evaluated and the component, black box or card will be replaced, returning your equipment to manufacture specifications. Your equipment will be returned to as found configuration.	\$ 39.00
Device Repair	Entertainment Components: Sound System	Amplifiers, Preamp	Your Device will be evaluated and the component, black box or card will be replaced, returning your equipment to manufacture specifications. Your equipment will be returned to as found configuration.	\$ 79.00
Device Repair	Entertainment Components: Sound System	Amplifiers, Stereo amplifier (large)	Your Device will be evaluated and the component, black box or card will be replaced, returning your equipment to manufacture specifications. Your equipment will be returned to as found configuration.	\$ 149.00
Device Repair	Entertainment Components: Sound System	Amplifiers, Stereo amplifier (small)	Your Device will be evaluated and the component, black box or card will be replaced, returning your equipment to manufacture specifications. Your equipment will be returned to as found configuration.	\$ 109.00
Device Repair	Entertainment Components: Sound System	Amplifiers, Surround-sound or multi-channel amp.	Your Device will be evaluated and the component, black box or card will be replaced, returning your equipment to manufacture specifications. Your equipment will be returned to as found configuration.	\$ 149.00
Device Repair	Entertainment Components: Sound System	Cassette deck	Your Device will be evaluated and the component, black box or card will be replaced, returning your equipment to manufacture specifications. Your equipment will be returned to as found configuration.	\$ 89.00
Device Repair	Entertainment Components: Sound System	Cassette deck, Duel	Your Device will be evaluated and the component, black box or card will be replaced, returning your equipment to manufacture specifications. Your equipment will be returned to as found configuration.	\$ 99.00

Install & Assembly	Installation Evaluation	Installation Evaluation at your location (i.e. . House / Office Call) : This will require Owner / Office Manager on site for the evaluation and to provide approvals.	At your location we will evaluate your device layout to determine: 1. Your placement preference.(esthetics). 2. Device locations and location Impact, (personal space, access and ventilation requirements). 3. Wiring requirements for power and signal transmission. 4. Power requirements.(services adequate for installation). 5. Identify peripheral devices and other materials needed to make the system operable. 6. Provide you with an estimate for installation of all identified components.	\$ 75.00
Install & Assembly	Entertainment Components: Sound System	Cassette Decks	Install Device near existing equipment, make necessary video and audio connections and perform initial startup procedures. Program existing equipment remote(s) to work with system.	\$ 45.00
Install & Assembly	Entertainment Components: Sound System	CD/MD Players/Recorders	Install Device near existing equipment, make necessary video and audio connections and perform initial startup procedures. Program existing equipment remote(s) to work with system.	\$ 100.00
Install & Assembly	Entertainment Components: Sound System	Compact Stereos	Install Device near existing equipment, make necessary video and audio connections and perform initial startup procedures. Program existing equipment remote(s) to work with system.	\$ 150.00
Install & Assembly	Entertainment Components: Sound System	DAT Recorder	Install Device near existing equipment, make necessary video and audio connections and perform initial startup procedures. Program existing equipment remote(s) to work with system.	\$ 150.00
Install & Assembly	Entertainment Components: Sound System	External Antenna	Mount External Antenna on suitable exterior surface. Install provided cabling from Antenna to existing receiver. Tune antenna for best signal reception.	\$ 150.00
Install & Assembly	Entertainment Components: Sound System	Powered speaker, per cabinet	Install Speaker IAW Sound system layout, make necessary audio connections and perform initial startup procedures.	\$ 90.00
Install & Assembly	Entertainment Components: Sound System	Powered subwoofer	Install Speaker IAW Sound system layout, make necessary audio connections and perform initial startup procedures.	\$ 90.00
Install & Assembly	Entertainment Components: Sound System	Preamp	Install Device near existing equipment, make necessary video and audio connections and perform initial startup procedures. Program existing equipment remote(s) to work with system.	\$ 80.00
Install & Assembly	Entertainment Components: Sound System	Quad Receiver	Install Device near existing equipment, make necessary video and audio connections and perform initial startup procedures. Program existing equipment remote(s) to work with system.	\$ 150.00
Install & Assembly	Entertainment Components: Sound System	Stereo amplifier (large)	Install Device near existing equipment, make necessary video and audio connections and perform initial startup procedures. Program existing equipment remote(s) to work with system.	\$ 150.00
Install & Assembly	Entertainment Components: Sound System	Stereo amplifier (small)	Install Device near existing equipment, make necessary video and audio connections and perform initial startup procedures. Program existing equipment remote(s) to work with system.	\$ 110.00
Install & Assembly	Entertainment Components: Sound System	Stereo Receiver	Install Device near existing equipment, make necessary video and audio connections and perform initial startup procedures. Program existing equipment remote(s) to work with system.	\$ 100.00
Install & Assembly	Entertainment Components: Sound System	Stereo speaker, per cabinet	Install Speaker IAW Sound system layout, make necessary audio connections and perform initial startup procedures.	\$ 50.00
Install & Assembly	Entertainment Components: Sound System	Subwoofer	Install Speaker IAW Sound system layout, make necessary audio connections and perform initial startup procedures.	\$ 50.00
Install & Assembly	Entertainment Components: Sound System	Surround-sound or multi-channel amp.	Install Device near existing equipment, make necessary video and audio connections and perform initial startup procedures. Program existing equipment remote(s) to work with system.	\$ 150.00
Install & Assembly	Entertainment Components: Sound System	Surround-Sound receiver (large)	Install Device near existing equipment, make necessary video and audio connections and perform initial startup procedures. Program existing equipment remote(s) to work with system.	\$ 150.00
Install & Assembly	Entertainment Components: Sound System	Surround-sound receiver (small)	Install Device near existing equipment, make necessary video and audio connections and perform initial startup procedures. Program existing equipment remote(s) to work with system.	\$ 120.00
Install & Assembly	Entertainment Components: Sound System	Tuner (w/o speaker outputs)	Install Device near existing equipment, make necessary video and audio connections and perform initial startup procedures. Program existing equipment remote(s) to work with system.	\$ 80.00
Install & Assembly	Entertainment Components: Sound System	Turntable (direct-drive and belt-drive models only)	Install Device near existing equipment, make necessary video and audio connections and perform initial startup procedures. Program existing equipment remote(s) to work with system.	\$ 80.00
Install & Assembly	Entertainment Components: Television	Color TV Monitor 47" and up	Set TV on a stable surface or mount on a sturdy wall (with supplied mounting bracket). Hook TV to existing antenna, cable/satellite tuner, DVD/BR player and audio output to existing audio system. Program existing equipment remote(s) to work with system.	\$ 200.00
Install & Assembly	Entertainment Components: Television	Color TV monitor up to 46"	Set TV on a stable surface or mount on a sturdy wall (with supplied mounting bracket). Hook TV to existing antenna, cable/satellite tuner, DVD/BR player and audio output to existing audio system. Program existing equipment remote(s) to work with system.	\$ 150.00
Install & Assembly	Entertainment Components: Television	Color TV/monitor or TV/VCR/DVD/BR combination any size, Input modification. Single input change from cable/satellite to antenna.	Disconnect Cable / Satellite input from TV/Combination TV. Hook TV to existing antenna, Program TV to receive local Channels and existing equipment remote(s) to work with system.	\$ 100.00
Install & Assembly	Entertainment Components: Television	Color TV/VCR, TV/DVD, TV/VCR/DVD TV/BR 47" and up	Set TV on a stable surface or mount on a sturdy wall (with supplied mounting bracket). Hook TV to existing antenna, cable/satellite tuner, DVD/BR player and audio output to existing audio system. Program existing equipment remote(s) to work with system.	\$ 225.00
Install & Assembly	Entertainment Components: Television	Color TV/VCR/DVD/BR combination up to 48"	Set TV on a stable surface or mount on a sturdy wall (with supplied mounting bracket). Hook TV to existing antenna, cable/satellite tuner, DVD/BR player and audio output to existing audio system. Program existing equipment remote(s) to work with system.	\$ 175.00
Install & Assembly	Entertainment Components: Television	CRT/LCD/DLP Projection TV or Projector w/ Manual Screen	Set TV on a stable surface or mount on a sturdy wall (with supplied mounting bracket). Hook TV to existing antenna, cable/satellite tuner, DVD/BR player and audio output to existing audio system. Set Manual Screen on a stable surface or mount on a sturdy wall/Ceiling (with supplied mounting hardware). Program existing equipment remote(s) to work with system.	\$ 250.00
Install & Assembly	Entertainment Components: Television	CRT/LCD/DLP Projection TV or Projector w/ Remote Screen	Set TV on a stable surface or mount on a sturdy wall (with supplied mounting bracket). Hook TV to existing antenna, cable/satellite tuner, DVD/BR player and audio output to existing audio system. Set Remote Screen on a stable surface or mount on a sturdy wall/ceiling (with supplied mounting hardware) and connect power. Program existing equipment remote(s) to work with system.	\$ 350.00
Install & Assembly	Entertainment Components: Television	Digital/DVD/BR recorder	Install Device near existing Video Monitor, make necessary video and audio connections and perform initial startup procedures. Program existing equipment remote(s) to work with system.	\$ 99.00
Install & Assembly	Entertainment Components: Television	DVD/BR, 1-12 disc player or changer	Install Device near existing Video Monitor, make necessary video and audio connections and perform initial startup procedures. Program existing equipment remote(s) to work with system.	\$ 79.00
Install & Assembly	Entertainment Components: Television	DVD/BR, Disc changer, 13 or more discs	Install Device near existing Video Monitor, make necessary video and audio connections and perform initial startup procedures. Program existing equipment remote(s) to work with system.	\$ 99.00
Install & Assembly	Entertainment Components: Television	External Antenna	Mount External Antenna on suitable exterior surface. Install provided cabling from Antenna to existing receiver. Tune antenna for best signal reception.	\$ 150.00
Install & Assembly	Entertainment Components: Television	Media Receiver Installation	Install Receiver near existing Video Monitor and make necessary video and audio connections. Make necessary cable /satellite/antenna connections and perform initial startup procedures. Program existing equipment remote(s) to work with system.	\$ 65.00
Install & Assembly	Entertainment Components: Television	VCR, any brand	Install Device near existing Video Monitor, make necessary video and audio connections and perform initial startup procedures. Program existing equipment remote(s) to work with system.	\$ 99.00
